SII's Level 3 Certificate in Investment Management – CERTIM

CERTIM is recognized by the FSA (UK's Financial Services Authority) and by the FSSC (UK's Financial Services Skills Council) as an appropriate examination for those who are managing and/or advising on investments. It is widely recognized and respected as a leading qualification, meeting the highest quality standards in the European market.

CertIM was among the first foreign European certifications that was approved by the Hellenic Capital Market Commission

Who should attend:

- Investment directors, managers and analysts
- Senior Corporate Management
- Finance directors, financial officers
- Bank employees, brokers, traders
- Professionals engaging in fund management, corporate finance, venture capital, asset management, financial planning
- Financial Consultants
- Business school graduates

How the Certificate benefits you:

- Candidates gain a certificate approved by the UK Regulator, Financial Services Authority (FSA), recognized by the No.1 European financial market
- It is the most complete certificate in investment management offered in Greece.
- Success qualifies candidates to join SII as Associate members who enjoy unparalleled networking and social events within SII.
- It combines practical and analytical skills with an international perspective
- Candidates expand their skills in all related industry sectors
- Candidates gain recognition and acceptance as career professionals within the European market

How the Certificate benefits your organization:

- Expands company's Know-How and demonstrates commitment in investing on human capital
- Certified executives provide a competitive edge against competition and show to clients the importance the organization places on investment management
- Recognized from all major financial institutions worldwide
- Facilitates international business
- Enhances organization's potential for new business development

Requirements:

- No entry requirements. However candidates are expected to have some professional or academic exposure to business or investment related matters.
- Candidates are required to pass both modules (Module 1 - Investment Management and Module 2 –Regulation) in order to acquire the SII Level 3 Certificate in Investments (Investment Management).

However separate certificates are issued when passing one of the separate modules.

About Securities & Investment Institute (SII):

Established in February 1992 with the endorsement of the FSA (formerly the Securities & Investment Board), the Bank of England, the London Stock Exchange and the London International Financial Futures and Options Exchange (LIFFE), Securities & Investment Institute is the largest and most widely respected professional body, representing over 40,000 Members and Affiliates working in the UK securities and investment industry.

Through membership SII offers practitioners professional recognition and the confidence of employers, peers and clients that they have attained the highest possible standard within their industry sector.

Some of the major firms using it:

- Bank of America
- Gartmore Investment Management
- Brewin Dolphin
- Goldman Sachs
- Brown Shipley & Co
- JP Morgan
- Bell Lawrie White
- Liberty Ermitage UK
- Close Wealth Management
- Royal Bank of Scotland
- Collins Stewart (CI) Ltd
- Smith & Williamson Investment
- Credit Suisse Asset Management
- Deutsche Bank
- UBS Global Asset Management

H&F Analysis through continuous training development and cooperation with Securities & Investment Institute has acquired the SII's Accredited Training Provider status in Greece.

H&F Analysis' instructors are trained and approved from Securities & Investment Institute. They are chosen to be highly qualified, market oriented practitioners with hands-on experience, well acquainted with SII's culture and methods.

Only SII's approved instructors present preparation courses for the Certificate in Investment Management and use strictly SII's copyrighted training material. H&F Analysis follows interactive teaching methods with the support of high-tech infrastructure and has so far achieved well above average passing rates for attending candidates.

How to have this program conducted on-site at your location:

On-site training for own company employees can be offered according to present schedule or we can tailor a more intense and compressed training course (minimum 5-day crash course) to meet your company's requirements in less time.

SII's CERTIM Preparation Course 2008

Attending the preparation courses designed by SII approved professionals, candidates maximize chances to pass the rigorous exam and gain this supreme professional distinction.

The modular teaching and examination approach enables candidates to concentrate separately on regulation and technical material, expand their skills, strengthen weaknesses and thus increase their success potential.

Module 1, Investment Management, covers 46 hrs of training on:

- Economics, financial mathematics and broad industry regulation
- Asset classes and financial markets
- Investment analysis, accounting and taxation
- Portfolio management and measurement

Module 2, Regulation, is presented in 14 hrs covers:

- Regulatory environment and infrastructure
- Regulatory activities and market abuses
- EU directives and FSA handbook
- Conduct of business – rules and expectations

Methodology

The combination of carefully prepared workbooks by industry professionals and the large data base of practice questions and mock exams in a stimulating learning environment, results in an across-the-board well above average pass-rate.

Membership

Acquiring an SII certificate you gain eligibility to become an SII member and have the Institute's support to remain informed and competent throughout your career. Becoming an SII member entitles you to:

- Attend free Continuous Professional Development (CPD) events and have access to online archives.
