## VRS Agreement with INTRO-ACT

Valuation & Research Specialists are delighted to announce their partnership with Intro-Act. Based in Boston, US, Intro-Act operates an artificial intelligence (AI) platform that matches corporate executives with institutional investors, providing access for all participants such as corporate IR, brokers, investors, research providers and IR service firms.

VRS (Valuation & Research Specialists) is an independent provider of business valuation advisory, equity research and credit rating services. VRS Team specializes in equity research covering the European and North American market as well as in macro, currency and commodity research. VRS places strong emphasis on tracking down as well as anticipating value related trends in the global capital and money markets.
